

AS A COMPANY THAT CARES,

You are invited to partner in Colorado Gynecologic Cancer Alliance's (CGCA) event through sponsorship of our major fundraiser:

17th Annual Jodi's Race for Awareness, June 13, 2026

Jodi's Race for Awareness began in 2010 to raise awareness of the symptoms of ovarian cancer and quickly became one of the largest gynecologic cancer races in the country!

Jodi's Race is CGCA's largest fundraiser and its success is essential to the provision of services for gyn cancer survivors in Colorado. It is also a celebration of survivorship and the largest annual gathering of gynecologic cancer survivors in Colorado.

CGCA provides:

- Financial navigation services saving survivors over \$12 million in medical costs since 2018
- Wellness & Support groups as well as individual counseling
- Grants totaling nearly \$800,000 to low income ovarian cancer patients in treatment
- Care packages to newly diagnosed ovarian cancer survivors going through chemo
- Education and Awareness Campaigns throughout Colorado

Please help us continue to make a significant difference in the lives of Coloradans and those who love them. We'd love the opportunity to talk to you about sponsoring Jodi's Race. Let us show you the business benefits to your organization and how you can help with this important effort.

Thank you for your consideration!
